25X1	LIAISON Took a call from Mike Glennon, Legal Counsel, Subcommittee on International Operations, Senate Committee on Foreign Relations, who requested that he be given access to files on 16 February at 1:30 p.m. I indicated that that was short notice and that I would have to check out the availability of the material. I indicated that I would call him back.
25X1	Z. LIAISON Received a call from Molly Williamson, Research Director, House Select Committee on Population. Ms. Williamson said that she believed Committee Chairman James H. Scheuer (D., N. Y.) would probably want to speak directly with some one from the Agency knowledgeable about population matters. I told her that we hoped her report to the Congressman on her 16 February visit would serve his needs but that if he felt that a personal meeting with an Agency representative was essential, we would do our best to accommodate him.
25X1	3. LIAISON Leslie Wizelman, Dan Hardway, and Betsy Wolf, House Select Committee on Assassinations staff, visited Headquarters to review Agency material.
25X1	4. FOIA Fritz Elmerdorf, in the office of Representative Carroll Hubbard, Jr. (D., Ky.), called to request information on behalf of a constituent who wants to seek information on himself under the Privacy Act. Elmerdorf was provided the name and address to be used.
25X1	LIAISON I called Mr. DeGiorgio, GAO, and asked him about anti-terrorist study which we have been informed of by letter. He said he was planning to meet tomorrow, 16 February,
25X1	at 10:00 a.m. with DDO/PCS/ITC, who was in turn setting up meetings with other CIA people. This information was
25X1	passed on to OLC, who has taken over the incoming letter.
25X1	LIAISON Delivered the covert action package to Jim Bush, on the staff of the House Permanent Select Committee on Intelligence. Also took O/Compt, down and talked with 25X Bush about CIA budget presentation before the Committee coming up on 7 March.
